General Entry Requirements

English Language Literacy

Proof of minimum English level testing score suited to the correct level of study. If you don't have one, Envirotech provides in-house Envirotech English placement for applicants. Students with a lower level of English proficiency will be offered to enrol into our Partner ELICOS course to improve their English level and develop professional English communications skills.

Laptop Computer

It is a condition of your enrolment that you have a suitable laptop computer to begin your course: a suitable laptop with Microsoft 2010.

Vocational Placement

The **Dual Qualification in Hospitality Management** includes 1 unit with work placement component with 36 service periods (shifts). Each service period is a minimum of 4 hours. Envirotech is responsible to place students in the workplacement.

Strategic Occupations

The table below provide a sample list of current Medium and Long-term Strategic Skills occupations that Envirotech students may be eligible for a Subclass 485 Temporary Graduate Visa in the Graduate Work Stream under our different departments. All packages must be of minimum 92 weeks ending with Diploma or Advanced Diploma of closely related studies to the nominated occupation.
